

GIVE A TALK! 2026 Vol.3

Theme: Creating Engaging and Dynamic Presentations

Instructor Bio/Photo: Dr. Robert John McClung serves as the Dean of First Year Students at Canadian University Dubai (CUD). He holds a Doctorate in Education specializing in College Teaching and Learning from Walden University and a Master of Science in English Language Teaching Management from the University of Surrey. His academic journey has allowed him to engage deeply with both pedagogical theory and its practical applications in diverse educational settings.

With experience in higher education across Australia, Japan, Taiwan, the Philippines, and Canada, Dr. McClung is committed to fostering inclusive and dynamic learning environments.

Target participants (University Teaching Faculty, Staff, and Graduate Students):

Primary focus on supporting women faculty aiming for international conference presentation; all faculty members and graduate students, regardless of gender, are warmly encouraged to attend.

Overview: Presentation skills are essential for academic success. "Give a Talk!" consists of workshops dedicated to helping you present your research with clarity, confidence, and impact at international conferences. This workshop will focus on creating a dynamic and engaging presentation that energizes not only the presentation but also the audience members.

Language: English for Academic Purposes

Venue: C-602 (6th floor at the Central building)

This session will be conducted in-person.

Session Date: July 25th, 2026 – Saturday, 2PM to 5PM

What you will learn in this session

Key Learning Outcomes:

- Cultivate a Confident, Dynamic Delivery Presence
- Create Compelling Content and Atmosphere
- Project a Confidant and Professional Image
